To Whom It May Concern

This letter is to certify that Mr. Hitesh Ankodia was employed with DataMingle Analytics as a Management

Trainee in Data Science from 6th May 2024 to 8th November 2024.

During his tenure with us, Mr. Ankodia was involved in the full-stack development of applications. His

responsibilities included designing and developing the front-end UI/UX, integrating FastAPI, and

managing backend services using PostgreSQL and SQL database management systems. He

demonstrated strong skills in developing applications within Microsoft Azure, specifically using Azure Web

Applications, Azure Databricks, and Azure Data Factory.

Mr. Ankodia showed a keen interest in expanding his knowledge and skills throughout his time with the

company. He successfully learned and applied new technologies such as Langchain, and he played a

significant role in integrating a large language model (LLM) application with our developed systems. His

ability to grasp complex technologies and implement them effectively was highly appreciated.

Hitesh proved himself to be a diligent and technically proficient individual, consistently aiming to deliver

high-quality work. His contributions to our projects were valuable and he was always ready to take on

new challenges to meet the company's goals.

We wish Mr. Ankodia all the best in his future endeavors and are confident that he will continue to exhibit

the same zeal and efficiency wherever he works. Please feel free to contact us for any further

information.

Sincerely,

For DataMingle Analytics Pvt Ltd
